

ASA Qualifications Next Step Matrix: January 2011 onward.

The next step matrix allows you at a glance to see the appropriate qualification to gain further skills or update your knowledge. Please note the document should be used as advice and guidance only and not as a set of regulations, please refer to the qualification syllabus for the specific entry requirements for a qualification.

The matrix is divided into five main categories depending on when you were certificated for your latest aquatic qualification;

- 1. Qualifications from January 1st 2011 onwards
- 2. Qualifications from 2006/7 to December 2010 (UKCC/NQF)
- 3. Qualifications from 1994-2006
- 4. Qualifications prior to 1994
- 5. Overseas qualifications

Notes and recommendations:

It is recommended all holders of an ASA and/or ASA/UKCC qualification hold an ASA Teacher/Coach Licence.

Holders of existing ASA qualifications who do not wish gain further qualifications at this time, but would still like to progress their skills and knowledge may do so by undertaking appropriate CPD programmes.

If you feel that a qualification awarded by another organisation or your experience may make you exempt from undertaking an ASA qualification you can apply to be exempt from that qualification via the following route;

How do I apply for exemption from a previous Level?

If you think that you may be able to apply for exemption based on prior learning and achievement you will need to submit your application for exemption in writing, enclosing the following:

· A covering letter explaining that you are looking for exemption from the qualification. Please indicate the title, level and discipline

• A detailed CV outlining your experience at teaching/coaching swimming showing the range of ability you have taught and/or coached plus the age group(s)

- \cdot A copy of any relevant certificate/qualification
- \cdot An outline of the syllabus covered with particular reference to swimming/aquatics
- · A £20.50 administration fee

Payment needs to be made at the time of application in the form of a cheque or postal order made payable to the Amateur Swimming Association.

Our address is: ASA Awarding Body, SportPark, 3 Oakwood Drive, Loughborough, Leicestershire, LE11 3QF

Should you need any help or guidance on the most appropriate qualification for you please don't hesitate to contact us on <u>awardingbody@swimming.org</u>

Best of luck,

ASA Awarding Body Team.

	Other discipline: ASA UKCC level 1 award in Coaching (discipline) units 105- 107 (QCF)
ASA Level 4 Coach	Relevant licence and CPD

Qualifications prior to 1994:

ASA Teaching/Coaching qualifications gained prior to 1994; (Preliminary Teachers, Teacher, Advanced Teacher) (Preliminary Club Coach, Assistant Club Coach, Club Coach)

- Candidates holding these qualifications should write into the ASA Workforce Development Department / Awarding Body with a CV, references, evidence of Continuing Professional Development (CPD), teaching/coaching experience etc. for advice on the appropriate route to take.

-The fee for this is £20.50 (non-refundable). Please send a cheque or postal order made payable to the Amateur Swimming Association, please do not send cash.

Overseas Qualifications:

I have a swimming qualification from outside the UK. How can I compare this against the ASA's teaching/coaching qualifications?

Anyone wishing to teach swimming who holds an appropriate overseas qualification may apply to the ASA Awarding Body to ascertain whether their qualification is appropriate for teaching swimming in England and Wales.

However they should in the first instance apply to the National Recognition Information Centre for the UK (NARIC) for an academic comparison of their teaching qualification.

NARIC compares academic qualifications gained outside the United Kingdom from school leaving certificates to post graduate qualifications. To contact NARIC please visit their website www.naric.org.uk and follow the guidance given.

Currently there is no mechanism to compare overseas coaching qualifications.

Application Process: - candidates should apply by letter to: ASA Awarding Body, SportPark, 3 Oakwood Drive, Loughborough, Leicestershire, LE11 3QF

The fee for this is £20.50 (non-refundable). Please send a cheque or postal order made payable to the Amateur Swimming Association, please do not send cash.

The following documents must all be included with the letter:

- The Awarding Body Application Form (click here to download)
- Letter from NARIC identifying the qualification comparison*
- Copies of relevant certificates
- Detailed account of the qualification
- Translation of the qualification/s by an official translator
- Curriculum Vitae

• Cheque or Postal Order for £20.50 (made payable to the Amateur Swimming Association)

The process takes 4-6 weeks, provided that all the relevant documentation (including a letter from NARIC) and the fee have been received.

*Applying to NARIC is the recommended route which will allow for a more streamlined process. However, if a NARIC comparison is not appropriate, then in addition to the bulleted list above candidates must also send a detailed breakdown of the units, the content covered and the length of time taken for each unit. In this instance the process will take longer than 4-6 weeks.
